

Show Your Support in Fun and Creative Ways!

There are so many exciting and highly visual ways to get involved and show your support! Here's how you can help:

Sponsor a Kilometer

\$10.00/km

Help us cover the distance and keep the momentum going!

Buy a Bale

\$12.00/bale

We'll need plenty of these along our journey!

Your contribution will keep our equine friends well-fed.

Buy a Full Meal

\$20.00

Provide grain and hay to support our horses on this adventure! For any of the above donations, we'll give you a shout-out during our daily updates on social media and include you on our list of sponsors across our platforms. When you supply a whole meal for our four legged buddies, we will be sure to do a picture to post of them enjoying their hard earned meal.

Sponsor a Panel

\$500.00

Have your banner (supplied by you) displayed on a panel in the horse pen! Your generous support will be highlighted in our daily video updates and social media for 7 days.

Daily Sponsor

\$1,000.00

Get your banner (supplied by you) featured on our chase vehicle! We'll promote your donation with daily updates and social media mentions for a full week.

Our BIG Sponsors! (Only 2 Available!)

\$5,000.00

Make a statement by having your company logo clipped into the hair on our horse's haunches! This professional clip will last throughout the ride and will be seen along highways, communities, and institutions. It's a unique way to grab attention and promote your business—everyone loves a cool horse!

Join us in this incredible journey and help make a difference! Your support means the world to us and our horses!
